><p>Chapter 1: A Little About Us..

**One Month Later...**

**Buttercup's/ Kaoru's P.O.V:**

NO! School is today!

You see its usually there is a bittersweet feeling about going to school and I get it. But for me and my sisters it is just all bitter shit.

See we have been home schooled all of our lives. I liked it that way. I mean we barely got to anything else but we were still you know smart because of our dad. Our mom/super model, Mariko Utonium, and

dad/inventor, Kitawaza Utonium, thought it would be okay to go to regular school.

Instead of recievinga warm welcome we got pure cold torture.

Now you may be asking 'But aren't you famous?' Yes we are but we thought would make real freinds and disguised ourselves into nerds and changed our last name. We are now the _Uranium_ sisters. Woo-hoo... (Notice the sarcasm in my tone.)

"KAORU! WAKE YOUR BUTT UP THIS INSTINT!" said my sister Momoko.

"I'M COMING ALREADY! STOP YELLING AT ME WOMEN!" I yelled back.

I had a bandage covering my chest. All of us do this so our chest don't get in the way. Then I wore a green t-shirt with gym shorts and old sneakers. I put a green beanie bag on my head.

I came into the small living room in our mansion. As I supposed the girls were there.

Miyako was in the kitchen, cooking us breakfast and lunch. She was wearing a really big blue sweater that looked like a dress on her and flapped every time she shook her hands. She also wore worn out jeans and blue flats. She is seen as an easy victim in Tokyo High School or THS becuase of her nice personality.

Momoko was in the dining room organizing the table. Our parents work really early. She was wearing a pink sweater with big sleeves and a big skirt with enormous socks and pink flats. She is bullied since she is the oldest of us all.

Kaori was listening to music while helping Momoko. She was wearing an oversized turquoise hoodie, sweatpants, and old sneakers. It gave her the lazy look. She is bullied since she is the smartest out of us all.

I'm bullied because supposily I am a nerdy sports freak.

_Anyway_ when everyone finished, we started eating our food.

Miyako started trembling. "Hey girls... I'm scared..."

Kaori gave her a noogie, "Hey don't be! Those bullies only do that because they can't terrorize superior people!" Kaori gave her famous goofy, confident smile. Miyako started giggling.

That's our Kaori.

"Girls we have to go. It's time." Momoko said rushing out the door.

I hope we prepared for this year of high school.
